

# Photo Archiving

Turn your memories digital!

It's time to clean out your closet! Pull out your shoebox of old photos and give me a call.

Why turn your old photos digital?

- Share old photos easily with others
- E-mail them
- Digital scrap booking
- Share them on face book, my space
- Make slide shows for: weddings, showers, graduations, funerals, birthdays, anniversary, class reunions, family reunions
- Keep your photos organized
- Save space
- Keep a copy of your important photos in a safe
- Make enlargements
- Preserve your cherished family memories

## Pricing

The pricing is the same for all three sources (slides, negative or prints).

The pricing includes a disk and case.

There is a \$25.00 minimum on all orders.

\$1.00 a piece 25-70

\$0.80 a piece 71-120

\$0.70 a piece 121-150

\$0.60 a piece 151-200

\$0.50 a piece 201-up

Media life span is based on manufactures estimate. Taylor Photography makes no guarantee or warranties concerning the media lifespan or longevity.

## Information

All photos, negatives and slides will be scanned in at 1200 dpi or higher if requested. Photos will be burned on to a DVD or CD.

I will be offering slide shows soon if you are interested please call for a price or check the web site for updates.

Please no copyrighted photos with out written waiver.

You can bring a slide, negative, or a print. You will get the best results from a negative or a slide because there is more information available.

From a negative

## Samples

From a slide

From a 4x6 print

Don't have time to scan your old photos? Not sure if your scanner is up for the job? Let me help turn our memories digital.

From black and white negative

I went thorough some of my old negatives and this is me looking "cool". I love "flash backs"!
